AIRPORT PICK-UP & DROP-OFF

Our staff does airport transfers on the first and last days of each session. Airports we service are LAX and Burbank (BUR) and there is a Marriott Hotel Shuttle available, for those traveling in and out of Burbank, which is why Burbank is the preferred airport by past Step It Up students & parents. If you choose to fly into LAX and you request an airport pickup/drop off through Step It Up, we will greet you at the exit to baggage claim when you arrive. We will drop you at your airline's check-in counter when you leave; unfortunately, we cannot escort you beyond security. There is a nominal fee per airport one-way transfer of \$60 for LAX airport.

ADMISSIONS POLICY AND DEADLINE

SIU operates under a rolling admissions policy, meaning that our admissions office reviews and decides on applications as they are received until there are no openings left in the session/workshop. Applicants are generally notified of their admissions status within two weeks from the time our office receives a complete application, and the \$500 registration deposit. We highly recommend early registration, as space is competitive and limited.

ENROLLMENT & ADDITIONAL FORMS

After we receive your application, deposit, and the Signature Form, Health & Medical form, a performance video and a brief description of why you would like to attend the workshop we will contact you by email and postal mail within two weeks to confirm your enrollment with an acceptance letter, invoice and workshop information pack. The information packet contains important information about the workshop and activities, arrival and departure, staying at SIU, what to bring, and student responsibilities. Travel information is required to be emailed to stepitupco@gmail.com. Final payment and forms are due May 1, 2018 or February 1, 2018 for EARLY REGISTRATION. If you have any questions about the forms and information above, please contact us. Final admittance to the workshop is contingent upon SIU's receipt and review of all forms and information.

PAYMENT POLICY: DEPOSIT, TUITION, and CANCELLATION & REFUNDS

A non-refundable, \$500 deposit is required to secure a spot in all of SIU's Summer Intensives. The final tuition balance is due no later than April 1. If we have not received payment by this date, SIU reserves the right to cancel unpaid applicants with no return of fees. Prior to April 1, all tuition, except the \$500 deposit, is fully refundable.

For cancellations between May 1, 2018 and May 15, 2018, we will refund 50% of the tuition and fees. After May 15, 2018, there are no refunds, except in the form of workshop credit for the following year only. For this reason, SIU highly recommends that students secure travel insurance to cover trip cancellation, interruption and/or medical emergency. For more information on travel Insurance, please contact your insurance broker or visit: Assurance Solutions (www.protectmytrip.net).

SIU reserves the right to cancel any workshop before its start date. In the unlikely event that cancellation should occur, you will receive a complete refund. Registrant waives any and all damages that may otherwise arise out of any workshop cancellation and agrees to accept as liquidated damages said registration fees. We highly discourage making non-refundable or non-changeable travel arrangements to and from our workshops.

Please read the application carefully. Once read please sign and return. If under 18 please have a guardian sign.
